

17 is Q. Smart Questions for Smart Leaders

Mr. Harish Machia Kodandera

Adjunct Professor and Head,

Department of Studies in Business Administration

SBBR Mahajana First Grade College, PG Wing,

Pooja Bhagavat Memorial Mahajana Education Centre, Mysuru

Progress really begins when we ask the right questions to the right people in the right context at the right time. Right, first time, Right every time. How do we enhance the ability to raise our competence in asking Questions? Not necessarily to and of others. We need to go into ourselves and ask the most critical, vital, essential and thought provoking.

Why and How is the essence.
