**Master of Social Work Regulations 2022-2023**

**GUIDELINES AND REGULATIONS LEADING TO MASTER OF SOCIAL  
WORK (TWO YEARS - SEMESTER SCHEME UNDER CBCS-CAGP)**

**Programme details**

<b>Name of the Department</b>	: Department of Social Work
<b>Subject</b>	: Social Work
<b>Faculty</b>	: Social Science
<b>Name of the Programme</b>	: Master of Social Work
<b>Duration of the Programme</b>	: 2 years divided into 4 semesters

**Regulations of the Programme Master of Social Work (MSW)**

**Preamble:**

Social Work is a relatively young discipline among Social Sciences. It is a help rendering profession. Social Work teaches the art and science of rendering help to people in need of such help. Its philosophical premise is that Every Individual is worthy and capable. This profession is most suited for all those who are interested in bringing a difference among the people, society and the world around them.

The MSW programme offered by the SBRR Mahajana First Grade College PG Wing aims to train young graduates in the art and science of Social Work discipline. The two years, four semester course is a combination of theory and field work components. The department of Social Work, through its professional training in field work and application of theory into practice facilitates its students to become competent professional social workers who can be readily absorbed by the job market. The student can also pursue M.Phil and Doctoral programme after the completion of the MSW programme. The opening for the trained social workers are in varied fields such as Industries, Hospitals, Communities, Correctional settings, Governmental welfare sectors, Family and Child welfare, non- governmental sector and many more.

**1. Title of the Programme:**

The programme shall be called 'Master of Social Work' (MSW).

## **2. Duration of the Programme:**

The programme of study for MSW Degree shall extend over a period of four semesters spreading over two academic years. A candidate can avail maximum of 8 semester – 4 years (in one stretch) to complete master Degree (including blank semesters, if any). Whenever a candidate opts for blank semesters, he/she has to study the prevailing courses offered by the department when he/she continues his/her studies.

## **3.Period of the Programme:**

Semester I and III July to December

Semester II and IV from January to June

## **4.Objectives of the Programme (Master of Social Work):**

The objectives are met by providing a variety of experiences to learners to:

1. To provide education and training in social work to those desirous of making a career in social work practice.
2. To provide opportunities through intensive field practicum to work with variety of people in their development and provide service to those who are in need of it.
3. To provide inter-disciplinary collaboration for better understanding of human problems, services and issues related to human development.
4. To link theory with practice in every sphere of human service endeavors.
5. To develop requisite knowledge, skills and values in working with people.
6. To promote among learners a sense of responsibility and commitment to work with different sections of people and especially of the vulnerable sections of the society
7. To promote opportunities and to create awareness for personal growth.
8. To acquire knowledge and skills in undertaking practice-based research and to administer human service organizations.
9. To develop Professional Social Workers towards socio- economic and culturally responsible

## **PROGRAMME OUTCOME**

1. The Social Work trainees shall apply the foundation knowledge, skills, values and ethics of social work practice in the assessment and treatment of individuals, families, groups, organizations, and communities and be able to make a career in social work practice.
2. Demonstrate an understanding and appreciation for human diversity, to engage in non-discriminatory culturally sensitive practice that seeks social and economic justice for clients, provide service to those who are in need of it.
3. Recognize him/her self as a Professional Social Worker.
4. Facilitate inter-disciplinary collaboration for better understanding of human problems, services and issues related to human development.
5. Develop a professional identity as a social worker by applying professional values and ethics to social work practice.
6. Link theory with practice in every sphere of human service interventions.
7. To develop requisite knowledge, skills and values in working with people.
8. Establish an interaction between social scientists, activists, policy makers and planners
9. Promotes among learners a sense of responsibility and commitment to work with different sections of people and especially of the vulnerable sections of the society
10. Promotes opportunities and to create awareness for personal growth.
11. Develops creative thinking and ability to apply theoretical knowledge in practice of social work
12. Ability to identify ways that they can maximize the strengths of the client context to design and promote effective programs for clients

### **1.Eligibility for Admission**

Candidates who have passed BSW/ BA/ B.Sc. / B.Com. / BBA/BBM/ B.C.A / LLB of the University of Mysore or any other university recognized as equivalent there to, are eligible for admission to MSW course. Candidates will be selected for admission as per the general guidelines issued from the University of Mysore from time to time. The Department/University shall conduct entrance examination for admission to the course.

A minimum of 45% aggregate marks for GM and 40% aggregate marks for SC/ST in the qualifying examination is needed to appear for the entrance examination and as well as eligibility for the course. The examination is of two hour duration and the question paper comprises of 100 objective type questions - 20% questions from general knowledge, 60% from science & social sciences, and another 20% questions will be from present social issues. Merit will be assessed on the basis of performance

in the entrance examination and performance in the undergraduate examination on equal weightage.

Note: Four seats shall be allotted to Graduates in Social Work of the University of Mysore and one seat shall be allotted to Graduates in Social Work of other University. The unfilled seats, if any, shall be shifted to the general category.

## **Scheme of Instructions:**

### **2.Credits (Minimum) Matrix:**

A candidate has to earn a minimum of 76 credits, for successful completion of a Master Degree. The 76 credits shall be earned by the candidate by studying Hardcore, Soft core and Open Elective. A candidate admitted to Masters of Social Work programme can exercise an option to exit with Bachelor Honors Degree/ PG diploma after earning 40 credits successfully.

A candidate can enroll for a maximum of 24 credits per semester.

Only such candidates who register for a minimum of 18 credits per semester in the first two semesters and complete successfully 76 credits in 4 successive semesters shall be considered for declaration of ranks, medals.

In excess to the minimum of 76 credits for masters degree in the concerned discipline / subject of study, a candidate can opt to complete a minimum of 18 extra credits to acquire **add on proficiency diploma** in that particular discipline / subject along with the masters" degree. In such of the cases wherein, a candidate opts to earn at least 4 extra credits in different discipline / subjects in addition to a minimum of 76 credits at masters level as said above then an **add on proficiency certification** will be issued to the candidate by listing the courses studied and grades earned.

### **3.Degree Awarding:**

On successful completion of Two year programme, the students will be awarded the **Master of Social Work Degree by the University of Mysore.**

### **4.Attendance and Conduct:**

Master of Social Work is a full time programme and students SHALL NOT take up any employment/course, part time or full time during their study. Students found violating this rule shall be removed from the course. Minimum attendance of 75% of actual working hours in all the courses is required. A student who does not satisfy the requirements of attendance and conduct shall not be permitted to write examination.

### **5.Medium of Instruction:**

The medium of instruction shall be English. However a candidate will be permitted to write the

examination either in English or in Kannada.

## 6. CHOICE BASED CREDIT SYSTEM (CBCS):

### Definitions:

**Course-** The course is governed by the regulations of Choice Based Credit System.

Every Course offered will have three components associated with teaching-learning process of the course, namely (i) Lecture - L (ii) Tutorial – T (iii) Practical – P , where

**L** Stands for lecture session,

**T** stands tutorial session consisting participatory discussion / self-study/ desk work/ brief seminar presentations by students and such other novel method make a student to absorb and assimilate more effectively the contents delivered in the Lecture classes.

**P** stands Practical session and it consists of hands on experience / Laboratory Experiments/ Field Studies/ Case studies that equip students to acquire the much required skill component.

In terms of Credits, every one hour session of L amounts to 1 credit per semester and a minimum of two hour session of T or P amounts to 1 credit per semester, over a period of one semester of 16 weeks for teaching-learning process. The total duration of a semester is 20 weeks inclusive of semester-end examination.

A course shall have either or all the three components.

The total credits earned by a student at the end of the semester upon successfully completing the course are L+T+P. the credit pattern of the course is indicates as L:T:P.

If a course is of 4 credits then the different credit distribution patterns in L: T: P: format could be

4 : 0 : 0,	1 : 2 : 1,	1 : 1 : 2,	1 : 0 : 3,	1 : 3 : 0,
2 : 1 : 1,	2 : 2 : 0,	2 : 0 : 2,	3 : 1 : 0,	3 : 0 : 1,
0 : 2 : 2,	0 : 4 : 0,	0 : 0 : 4,	0 : 1 : 3,	0 : 3 : 1,

The concerned BoS will chose the convenient credit pattern based on the requirements. However, generally, a course shall be of 3 or 4 credits.

### Different courses of study are labeled and defined as follows.

**Hard Core** a course which should compulsorily be studied by a candidate as a core requirement **Soft Core** is a course where there is a choice or an option for the candidate to choose a course from a pool of courses from the main discipline/ subject of study.

**Open Elective** an elective course chosen generally from an unrelated discipline/subject, with an intention to seek exposure.

An elective course designed to acquire a special/advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an

advisory support by a teacher is called a **Self Study Elective**.

A core course offered in a discipline / subject may be treated as an elective by other discipline / subject and vice versa.

Project work/Dissertation work is a special course involving application of knowledge insolving / analyzing /exploring a real life situation / difficult problem. A project work up to 4 credits is called Minor Project work. A project work of 6 to 8 credits is called Major Project Work. Dissertation work can be of 10-12 credits. A Project/Dissertation work may be a hard core or a soft core as decided by the BoS concerned.

## **7. SCHEME OF EXAMINATION**

The evaluation of the candidate shall be based on **continuous assessment**. The structure for evaluation is as follows:

Assessment and evaluation processes happen in a continuous mode. However for reporting purposes, a semester is divided into 3 discrete components identified as C1, C2 and C3.

The performance of the candidate in a course will be assessed for a maximum of 100 marks as explained as below:

The first component (C1), of assessment is for 15 marks. This will be based on test/assignment/group study/field work/case analysis/seminar. During the first half of the semester, the first 50% of the syllabus will be completed. This shall be consolidated during the 8<sup>th</sup> week of the semester. Beyond 8<sup>th</sup> week, making changes in C1 is not permitted.

The second component (C2) of assessment is for 15 marks. This will be based on test/assignment/group study/field work/case analysis/seminar. The continuous assessment and scores of second half of the semester will be consolidated during the 16<sup>th</sup> week of the semester. During the second half of the semester the remaining units in the course will be completed.

At the end of the semester final examination of 3 hours shall be conducted for each course. This forms the third/ final component of assessment (C3) and the maximum marks for the final component will be 70. Pattern of question paper pattern is given in Appendix I.

### **Assessment of Social Work Practicum**

A viva - voce examination shall be conducted for each candidate in all semesters. The performance of the candidate shall only be assessed by a committee consisting of one faculty member of the Department of Social Work of Pooja Bhagavat Memorial Mahajana Education Centre and an external examiner. The number of such committees depends on the number of candidates. In case of non-availability of a qualified teacher, the two-member committee constituted for viva-voce examination will stand.

## **Minor/Major Project Evaluation**

Students are given broader guidelines for undertaking empirical evidence-based project in the fourth semester, either independently or by forming a small team comprising of three to four students which carries 4 credits. Evaluation of the Project will be done along with the viva-voce examination by the viva-voce committee constituted for the assessment of social work practicum or similar committee may be constituted, if required.

In case of a candidate secures less than 30% in C1 and C2 put together in a course, the candidate is said to have **DROPPED** the course, and such a candidate is not allowed to appear for C3 in that course.

In case a candidate's class attendance in a course is less than 75% , the candidate is said to have **DROPPED** that course, and such a candidate is now allowed to appear for C3 in that course. In case a candidate secures less than 30% in C3, he/she may choose **DROP/Make-Up** option.

A **MAKE UP** examination for odd semester courses will be conducted along with next regular odd semester examinations and for even semester courses along with a next regular even semester examinations. If a candidate is still unsuccessful, he/she may opt for **DROP** or again take up **Make UP** examination: however, not exceeding double the duration norm in one stretch from the date of joining the course.

A candidate has to re-register for the **DROPPED** course when the course is offered again by the department if it is a hard core course. The candidate may choose the same or an alternative core/elective in case the dropped course is soft core/elective course. A candidate who is said to have **DROPPED** project work has to re-register for the same subsequently within the stipulated period. **The details of any dropped course will not appear in the grade card.**

If a candidate is not satisfied with the evaluation of C1 and C2 components, he/she can approach the grievance cell with the written submission together with all facts, the assignments, test papers etc., which were evaluated. He/She can do so before the commencement of semester end- examination. The grievance cell is empowered to revise the marks if the case is genuine and is also empowered to levy penalty on the candidate if his/her submission is found to be baseless and unduly motivated. This cell may recommend taking disciplinary/ corrective action on an evaluator if he/she is found guilty. The decision taken by the grievance cell is final.

## **8. Setting questions papers and evaluation of answer scripts.**

- I. Questions papers in three sets shall be set by the internal examiner for a course. Whenever there are no sufficient internal examiners, the chairman of BoE shall get the questions papers set by external examiners.
- II. The Board of Examiners shall scrutinize and approve the question papers and scheme of valuation.
- III. (i) There shall be single valuation for all theory papers by internal examiners. In case, the number of internal examiners falls short, external examiners may be invited.
  - i. The examination for Practical work/ Field work/Project work will be conducted jointly by two internal examiners. However the BoE on its discretion can also invite external examiners if required.
  - ii. If a course is fully of (L=0):T(P=0) type, then the examination for C3 Component will be as decided by the BOS concerned.

## 9. Challenge Valuation

A student who desires to apply for challenge valuation shall obtain a Xerox copy of the answer script by paying the prescribed fee within 10 days after the announcement of the result. He/She can challenge the grade awarded to him/her by surrendering the grade card and by submitting an application along with the prescribed fee to the Controller of Examination within 15 days after the announcement of the results. This challenge valuation is only for C3 component.

The answer scripts for which challenge valuation is sought for shall be sent to examiner. The marks awarded will be the higher of the marks obtained in the challenge valuation and in maiden valuation.

The grade and the grade point earned by the candidate in the subject will be as given below.

Marks	Grade (G)	Grade point GP=V x G
30 - 39	4	V*4
40 - 49	5	V*5
50 - 59	6	V*6
60 - 64	6.5	V*6.5
65 - 69	7	V*7
70 - 74	7.5	V*7.5
75 - 79	8	V*8
80 - 84	8.5	V*8.5
85 - 89	9	V*9
90 - 94	9.5	V*9.5

95 - 100	10	V*10
----------	----	------

V is the credit value of the course: G is the Grade: GP is the Grade point.

Overall cumulative grade point average (CGPA) of a candidate after successful completion the required number of credits (80) is given by

$$\text{CGPA} = \text{sum of GP} / \text{Total number of credits}$$

## 10. Classification of Results

The final grade point to be awarded to the student is based on CGPA secured by the candidate and is given as follows,

CGPA	Numerical Index	Qualitative Index
$4 \leq \text{CGPA} < 5$	5	Second Class
$5 \leq \text{CGPA} < 6$	6	
$6 \leq \text{CGPA} < 7$	7	First Class
$7 \leq \text{CGPA} < 8$	8	
$8 \leq \text{CGPA} < 9$	9	Distinction
$9 \leq \text{CGPA} < 10$	10	

Overall percentage =  $10 * \text{CGPA}$  or is said to be 50% in case  $\text{CGPA} < 5$

**Paper Title: SOCIETY AND DYNAMICS OF HUMAN BEHAVIOUR**

**Credit pattern: L:T:P::2:1:0**

**Total Credits: 3**

## **INTRODUCTION**

This course provides the learners basic understanding of relevant concepts from social sciences, the social phenomena and development process. Besides, helping/enabling the learner develop skills for social analysis, it aims to introduce the learners to the development of individual across the life span, with a system and an ecological perspective. It also provides an understanding of human development and behavior in contextual influences, including individuals in disadvantaged or special contexts. The theoretical inputs are to enhance the understanding of people's growth, health, and development at various stages as bio-psycho-socio-spiritual being over the life span.

## **OBJECTIVES**

- a. Understand the concepts to examine social phenomena.
- b. Develop skills to analyse Indian society and change.
- c. Understand the concepts **change and conflict**.
- d. Understand interactional nature of growth and behavior at various stages in the life span and impact of cultural aspects on the individual.
- e. Apply the information of growth, development and health in social work practice in general and to individuals, groups and communities in particular.

<b>Course Outcomes (COs)</b>
<b>CO 1:</b> Acquaint themselves with the basic concepts of Sociology like society, community, association, culture, social change, social stratification etc.
<b>CO 2:</b> Know the basic social institutions like family, marriage, kinship in a scientific way
<b>CO 3:</b> Explain social change and the factors affecting social change. Realize the importance of cultural lag to understand social change
<b>CO 4:</b> To understand psychological concepts and its relevance to Social Work

## **Course Content**

### **UNIT I**

Society and Culture: Social Structure – meaning, status and roles; Culture: meaning and contents - traditions, customs, values, norms, folklore and mores.

**Odd Semester**

**Paper Title: WORK WITH INDIVIDUALS AND FAMILIES**

**Credit pattern: L:T:P::2:1:0**

**Total Credits: 3**

## **INTRODUCTION**

This course aims to develop simple to complex skills of working with individuals and families in various situations like crisis, preventive, facilitative and developmental.

## **OBJECTIVES**

- a. Understand casework as a method of social work, and appreciate its place in social work practice.
- b. Understand the values and principles of working with individuals and families.
- c. Develop the ability to critically analyze problems of individuals and families and factors affecting them.
- d. Enhance understanding of the basic concepts, tools and techniques in working with individuals and families, in problem-solving and in developmental work.
- e. Develop appropriate skills and attitudes to work with individuals and families.

<b>Course Outcomes (COs):</b>
<b>CO 1:</b> To understand the individual, family and their problems and the social contextual factors affecting them.
<b>CO 2:</b> To understand Social Casework as a method of Social Work practice.
<b>CO 3:</b> To develop an understanding of application of case works in diverse settings.

## **Course Content**

### **UNIT I**

Social case work: Definitions, scope, historical development - Influence of psychoanalysis on casework - Introduction of casework as a method of social work - Concepts of adjustment and maladjustment - Philosophical assumptions and casework values.

Principles of casework: Individualization, acceptance, non-judgmental attitude, participation, relationship, effective communication of feeling, client self-determination, and confidentiality.

Components of social casework: The person, the problem, the place and the process. Process in casework: Study, assessment, intervention, evaluation, follow-up, and termination.

### **UNIT II**

Types of problems faced by Individuals and families; individual differences and needs - Family assessment in casework practice

Theories and approaches: Psycho-social approach, Functional approach, Problem-solving approach, Crisis Theory, Family intervention, Behavioural modification, Transactional analysis, Client Centered Approach and Holistic approach.

### **UNIT III**

Tools for Help: Case work tools: Interview, home visit, observation, listening, communication skills, rapport building.

Records: Nature, purpose and principles of recording.

Techniques of casework: Supportive, resource enhancement and counseling.

Self as a professional: Professional self - Conflicts and dilemmas in working with individuals and families.

### **UNIT IV**

Application of Method: Primary and secondary settings - Application of methods in family, women, and child welfare settings, marriage counselling centres, schools settings, medical and psychiatric settings, correctional institutions and industry.

Odd Semester

**Paper Title: Work with Groups**

**Credit pattern: L:T:P::2:1:0**

**Total Credits: 3**

## **INTRODUCTION:**

This course aims at developing the understanding of Group Work as a method, developing skills for intervention, and gaining knowledge of the scope of this method in various settings.

## **OBJECTIVES :**

- a. To develop awareness about the specific characteristics of Group Work and its contributions as a method of social work intervention,
- b. To gain knowledge about group formation and the use of a variety of group approaches.
- c. To develop understanding of concepts, dynamics and small group theory in relation to all types of groups, e.g. family, staff, committee, long - term client groups.
- d. To identify the various situations and settings where the method could be used in the context of social realities of the country.

<b>Course Outcomes (COs):</b>
<b>CO 1:</b> Ability to Understand the nature and types of groups.
<b>CO 2:</b> Understand Social Group Work as a method of Social Work practice
<b>CO 3:</b> Know the basic concepts, tools, techniques, processes and Skills of working with groups.

## **UNIT I**

Introduction and history of Group Work: Understanding of groups - Characteristics and significance of group - Definition of Social Group Work - Characteristics of Social Group Work - Purpose of Social Group Work; Historical evolution of group work with special emphasis on the Indian Context.

Type of Groups: Types and approaches based on objectives and purpose – Type of Membership – Time -Duration

Values and Principles in group work and Characteristics of Group formation: Values in social group work- Principles in group work - Assumptions underlying social group work - Factors of group formation - Formulation of goals - Identification of problems for work.

## **UNIT II**

Group Processes and Group Dynamics: Importance of group processes - Typical patterns - Processes in different type of groups - Worker's skills in identifying and understanding processes.

Pre-group and Initial Phase: Planning model - Characteristics of pre group phase - Group structures Facilitation skills and role of worker in pre-group and initial phase.

Bond, sub-groups, role. Leadership - Isolation - Decision making - Conflict  
–Communication -Relationships.

## **UNIT III**

- Middle Phase and Use of Program: Characteristics of middle phase - Group structures -Group dynamics - Facilitation skills - Role of group workers - - Comparison across phases  
- Concept and principles - Program planning - Skills in program planning- Models and Approaches of group work

Facilitation: Knowledge of skills and techniques for effective work with groups/problem solving.

## **UNIT IV**

Recordings in Group work: Importance of recording in social group work - Principles of recording - Recording structure -Types of recording.

Evaluation in Groups and Termination Phase : Importance of evaluation - Types of evaluation - Methods of evaluation - Need for termination - Types of termination - Characteristics of termination phase - Worker's skills.

Application of Group Work: Application in health settings, school settings, family welfare settings, industrial settings, women and child welfare settings.

**Odd Semester**

**Paper Title: WORK WITH COMMUNITIES**

**Credit pattern: L:T:P::2:1:0**

**Total Credits: 3**

## **INTRODUCTION**

Community organization / development, as a method of social work practice, is seen as a means to facilitate communities towards self-directed change. It takes as its basis the inequalities in society manifested through processes of marginalization, Discrimination or disempowerment of groups, which have resulted in the loss of control over resources, be they tangible or intangible. The strategies of Community Organization practice being addressed as part of the course cover a range spanning different ideologies, from those being people-initiated, and those that are initiated by the elite. Community organization is seen as a means as well as an end, where Collective processes are to sustain the community's capacity to bring about change.

## **OBJECTIVES:**

- a. Understand the critical elements of community organization practice.
- b. Enhance critical understanding of the models and strategies for community Organization practice.
- c. Make the micro-macro connections between the ranges of complex issues in Practice.
- d. Develop attitudes conducive to participatory activities for civil society.

<b>Course Outcomes (COs):</b>
<b>CO 1:</b> Understand the fundamental concepts and components of community, community organization and social action
<b>CO 2:</b> Understand the models of community organization and social action
<b>CO 3:</b> Understand the relationship of community organization and soScial action with other methods of social work.
<b>CO 4:</b> Understand various social movements in India

## **Course Content**

### **UNIT I**

Community: Concept, characteristics, types and functions.

Community organization practice: Definition of community organization. Values and principles of Community Organizations. Ethics of community organization practice.

Understanding Human Rights in community organization practice.

Historical development of community organization practice.

Gender and Empowerment: Gender sensitive community organization practice

## **UNIT II**

Models and Strategies of Community Organization - Locality Development Model - Social Planning Model - Social Action Model

Select methods of public interest: Mobilization, litigation, protests and demonstrations, Dealing with authorities

Public Relations, Planning, Monitoring and Evaluation - Roles in different models attributes and attitude.

## **UNIT III**

Community Organization as a Method: Relevance of community organization as a Method across different spheres of social work intervention and relook at own attitudes.

Skills of Community Organization Practitioner: Participatory approaches - Problem analysis, resource mobilization, conflict resolution, organizing meetings, writing and documentation, networking, training.

Role of community organizer: Organizer, enabler, motivator, counselor... Fund raising and its techniques.

## **UNIT IV**

Human rights : Understanding human rights, need for the protection of human rights.

Strategy and Roles: Unionization as a strategy – Advocacy in community organization.

Current debates in Community Organization Practice: Emerging issues - Impact of Macro policies. NGO working with Community.

## Odd semester

### Title: SOCIAL WORK PRACTICUM - I

Credit pattern: L:T:P::0:0:3

Total Credits: 3

**Orientation** provides information regarding.

- i. The importance and place of the practicum in the educational programme.
- ii. The purpose, functions and ethics in professional practice.

In the first four weeks, the learners may make a local directory to include emergency numbers of Hospitals/ PHCs/ Police/ Panchayath Office and Network Agencies along with references to other developmental and welfare services in the location.

**Visits** - provide an exposure to and understanding of the services provided in responses to people's needs. (Agencies in health setting, education, community, institutional services, criminal justice system, civic administration, rehabilitation etc.)

**Structured experience laboratory** - is a classroom activity, which provides opportunities through the games/activities, to form the involvement of self in various practice skills. These laboratory experiences are designed in small groups to encourage participation, sharing of the experience and aid in examining learning and applications of skills. These sessions have a specific objective of experiencing self, and applying /using self in practice. (Relationship skills, Communication skills etc., will be focused)

**Concurrent practice learning of two-days a week** - on going learning of practice is an opportunity to develop intervention skills in reality situations. This entails learning social work practice for two, or two and a half days or its equivalent, each week of the semester. The learners may be placed in agencies or in communities to initiate and participate in direct service delivery. Practice learning is a vital component of the educational opportunity to be provided to the learner. The teaching-learning process must be designed to help the learner to move on the mastering strategies, skills and techniques to practice social work.

Course Outcomes (COs):	
CO 1:	Work in agencies working in different types of areas of Social Work practice
CO 2:	Develop work plan in consultation with agency supervisor
CO 3:	Develop capacity for observation and analysis of social realities
CO 4:	Practice the methods of working with individuals and groups
CO 5:	Develop understanding of the needs, problems and Programmes for different target groups

**Course Articulation Matrix - Social Work Practicum – I (HC)**

[illegible]

## Honor's level even semester (II Semester)

Even semester

**Paper Title: MANAGEMENT OF DEVELOPMENTAL AND WELFARE SERVICES**

**Credit pattern: L:T:P::2:1:0**

**Total Credits: 3**

### INTRODUCTION

The course aims to develop management competencies to function in organizations, participate as a team member and understand the role of a social work programmes manager.

### OBJECTIVES

- Understand the overall environment and its impact on the nature, structure and development of organizations in corporate, public and voluntary sectors in the context of social work profession.
- Understand policies and procedures involved in establishing and maintaining human service organizations.
- Acquire skills to network and participate in the management of resources –human, material and environmental.
- Develop skills to participate in management of programmes, as a part of the interdisciplinary team and initiate as well as develop new programmes.
- Develop ability to analyze the practices applied in specific settings

### Course Outcomes (COs):

**CO 1:** Understand the administration of welfare organizations and civil society organization / Non Government organization.

**CO 2:** Understand the scope for social work in welfare organizations and NGO's

**CO 3:** Understand the scope for social work in welfare organizations and NGO's

**CO 4:** Develop knowledge about registration procedure of organization

### Course Content

#### UNIT I

Social Services: Social service, Social security, social development and social welfare – concept- Need for welfare and developmental organisations, Factors determining social welfare programmes, Development and Welfare organizations“ response to societal needs; role of state, voluntary and corporate sector.

Management services: Types of settings, organizational characteristics like origin, nature, size, structure, and design, organizational climate and impact of socio-political environment - Management process: Vision, Planning, Organizing, Directing, Staffing, Coordination, Reporting, Budgeting.

Establishment: Registration, different types of legislations, legal status, constitution, rules and procedure, goals - Financial resources: Organizational Budget, Sources of finance, Fund Raising, Records, Audit.

## **UNIT II**

Physical: All activities related to acquiring, hiring and maintaining importable structure and infrastructure, maintenance of premises and daily upkeep.

Enhancing the involvement and the potential of people in organization's executive boards, committees; professionals and other staff-relationship, communication, team work, and facilitating team building, supervision, and participation in training.

## **UNIT III**

Programme Development: Programme management: long term, short term, and Documentation.

Project proposals based on felt-needs, nature of resources, eligibility criteria, records, evaluation and research.

Impact analysis - Qualitative and quantitative.

## **UNIT IV**

Public Relations: Public relations need and its promotion by all in the organisation. Representing the organization, networking, public, corporate and voluntary sector, resource building, accountability, transparency, use of media for publicity.

Change and its Management: Understand and manage change, innovation in a rapidly changing social environment: for policy programmes and structure.

Organizational understanding: Conflict, conflict resolution, creating positive climate.

**Paper Title: SOCIAL WORK RESEARCH AND STATISTICS**

**Credit pattern: L:T:P::2:1:0**

**Total Credits: 3**

**INTRODUCTION**

This course is to equip learners to utilize, and conduct research as service managers to improve services, evaluate, and develop new services and intervention methods: strategies and techniques and also, be an effective consumer of other researches.

**OBJECTIVES**

- a. To develop an understanding of scientific approach to human inquiry in comparison to the native or common sense approach in various aspects, and its process.
- b. To understand major research strategies, meaning, scope and importance of social work research.
- c. To develop an ability to see the linkages between practice, research, theory and their role in enriching one another.
- d. To develop ability to conceptualize, formulate and conduct simple research projects/exercises (This would include a broad range of basic research skills such as conceptualization of a research strategy and problem; writing a research proposal; developing tools for collecting data; use of sampling, strategies; data collection, processing, presentation, analysis and interpretation; and writing research report etc).
- e. To make informed assessment and judicious use of research studies and findings.
- f. To develop skills for use of library and documentation services for research.

<b>Course Outcomes (COs):</b>	
<b>CO 1:</b>	Gain understanding of nature and relevance of social science research and its application in the study of social phenomena.
<b>CO 2:</b>	Learn steps and process of formulation of research design and carry out the same.
<b>CO 3:</b>	Learn method of conducting a review of literature.
<b>CO 4:</b>	Develop familiarity with qualitative and quantitative research methods
<b>CO 5:</b>	Learn how to prepare tools for collection of data
<b>CO 6:</b>	Learn process of data collection, organization, presentation, analysis and report Writing.

**Course Content**

**UNIT I**

Science - Meaning and assumptions, scientific approach in comparison to the native or common sense approach.

Scientific attitude; Scientific method; application of scientific method for the study of social phenomena.

Research: Definition and objectives, Social Work Research: Meaning, objectives, functions and limitations; Scope of social work research in India; Agencies sponsoring and conducting social work research, ethics in research.

Problem identification: Criteria for the selection of research problem; Problem formulation. Concepts, constructs, variables, conceptual and operational definitions.

Hypothesis: Meaning, importance, uses and requirements.

## **UNIT II**

Design of research: Definition and importance; types of research design; exploratory, descriptive, experimental, evaluative design, participatory research and action research.

Source and Types of Data: Primary and secondary, objective and subjective, qualitative and quantitative.

Sampling: Sample and population: Rationale and Characteristics of sampling; methods of sampling, general considerations in the determination of sample size.

Methods of collection of primary data:

Observation: Structured and unstructured; participant and non-participant.

Questionnaire, interview schedule and interview guide. Pilot study and Pre-testing.

Scales: Need for scales, some prominent scaling procedures. Case study: Meaning, uses, steps.

Secondary data: Official data, personal documents, problem in the use of secondary data

## **UNIT III**

Processing of data: Content, editing, coding data classification, manual and mechanical tabulation of data; frequency distribution, diagrammatic and graphic presentation - use of computers.

Issues related to Social Work Research: Interpretation of data, research reporting: contents of research report: foot-note, references, bibliography, preparation of abstract; the art of making book review.

## **UNIT IV**

Statistics: Definition, functions and importance Measures of Central Tendency; Measures of Dispersion.

Chi-square, Correlation Coefficient, „t“ distribution; Analysis of Variance and „F“ distribution.  
SPSS package.

## **Title: SOCIAL WORK PRACTICUM - II:**

**Credit pattern: L:T:P::0:0:3**

**Total Credits: 3**

### **SOCIAL WORK CAMP:**

Rural/ Tribal camps with a duration of 10 days - provide opportunities to experience rural life, analyze rural dynamics, and observe the functioning of local self government and voluntary organisations. This experience aids peer participation in planning for activities for own group and those for local people. It also helps develop skills to carry out, evaluate, and report the experience.

### **SUMMER PLACEMENT:**

Summer Placement - provides an opportunity to experience day-to-day work in a setting. The learner gets involved with direct practice with the client system and with the ongoing management operations of the setting. The time frame recommended for this experience is about three weeks, after the first year of the post-graduate programme. The learner may use the same setting for data collection of Term project.

The student has to execute a term project during the summer placement and is expected to select a theme relevant to current social issues in consultation with the supervisor and make

an exhaustive survey of literature on the chosen theme including empirical studies made on the same.

Further, the student shall also collect the experiences or opinions of people on the issues and make a detailed presentation.

Flexibility is accorded in planning and executing the term project. Creative and analytical approaches are to be carried out.

<b>Course Outcomes</b>												
<b>CO 1:</b> Provides an opportunity to experience rural life, analyze rural dynamics, and observe the functioning of local self-government and voluntary organisations												
<b>CO 2:</b> Aids peer participation in planning for activities for own group and those for local people												
<b>CO 3:</b> Helps develop skills to carry out, evaluate, and report the experience.

**Paper title: COMMUNICATION AND COUNSELING**

**Credit pattern: L:T:P::2:1:0**

**Total Credits: 3**

**INTRODUCTION**

This paper relates the relevance of components of communication and counseling in social work practice.

**OBJECTIVES**

- a. Understand the meaning and importance of communication in day-to-day life.
- b. Focus on interpersonal communication of interviewing and allied aspects.
- c. Develop holistic understanding of counseling as a tool for help.
- d. Acquire knowledge of various approaches: their theoretical underpinnings for goals, values, processes and techniques,
- e. Develop skills of application to real life situations.

<b>Course Outcomes (COs):</b>
<b>CO 1:</b> Provides an opportunity to experience rural life, analyze rural dynamics, and observe the functioning of local self-government and voluntary organizations
<b>CO 2:</b> Aids peer participation in planning for activities for own group and those for local people
<b>CO 3:</b> Helps develop skills to carry out, evaluate, and report the experience.

**UNIT I**

Communication: Meaning and importance of communication.

Process of communication: Key elements in the communication process - Communication, message, audience; channel of communication. Verbal and non-verbal communication.

Basics of Communication.

Education and communication for national development.

Interpersonal communication: Interviewing - Objectives, principles of interviewing; listening, qualities of effective communicator.

Seminars, conferences, lectures, group discussion, panel discussion, symposium, workshop, role playing, simulation exercises, written communication, report writing, letter writing, article/essay writing, games, brain storming, street play, field work exposure.

**UNIT II**

**Title: SOCIAL WORK PRACTICUM - IV**

**Credit pattern: L:T:P::0:0:3**

**Total Credits: 3**

Workshops: Skills Development - help learners acquire specific skills for situations encountered during practice and acquire skills for intervention. These may be for problems/ concerns, issues or situations like work with alcoholics, HIV/AIDS affected persons, adolescents for life skills development, youth for leadership development and couples for marital relationship and enrichment work with elderly. These workshops are to enhance skills/ develop new skills for practice in specific situation, specific problems and issues.

Concurrent practice learning of two-days a week -on going learning of practice is an opportunity to develop intervention skills in reality situations. This entails learning social work practice for two, or two and a half days or its equivalent, each week of the semester.

The learners may be placed in agencies or in communities to initiate and participate in direct service delivery. Practice learning is a vital component of the educational opportunity to be provided to the learner. The teaching-learning process must be designed to help the learner to move on the mastering strategies, skills and techniques to practice social work.

<b>Course Outcomes (COs):</b>												
<b>CO 1:</b> Shall initiate and participate in direct service delivery.												
<b>CO 2:</b> Work in sensitive areas like work with alcoholics, HIV/AIDS affected persons, adolescents for life skills development, youth for leadership development and couples for marital relationship and <b>CO 3:</b> enrichment work with elderly.												
<b>CO 4:</b> Shall identify research areas in the community

**Paper Title: ORGANIZATIONAL BEHAVIOUR AND ORGANIZATIONAL DEVELOPMENT**

**Credit pattern: L:T:P::2:1:0**

**Total Credits: 3**

**INTRODUCTION**

The course aims to provide an understanding of human behavior at work so that the learner may acquire the skills required to analyze problems and develop a problem-solving approach.

**OBJECTIVES:**

- a. To impart knowledge about individual, group and organizational dynamics and their consequences,
- b. To make clear the concepts and approaches that help in developing models or systems that support human ingenuity.
- c. To acquaint the students with the knowledge of theories and practices that govern human behavior at work,
- d. To help the learner understand the value and worth of human resources in an organization.
- e. To enable the students to become aware of their communication skills and sensitize them to their potential to become successful managers.
- f. To gain self-confidence and healthy self-respect while retaining respect for other's rights.
- g. To understand the application of Transactional Analysis in several areas of employee management.

<b>Course Outcomes (COs):</b>
<b>CO 1:</b> Demonstrate the applicability of the concept of organizational behavior to understand the behavior of people in the organization.
<b>CO 2:</b> Analyze the complexities associated with management of the group behavior in the organization
<b>CO 3:</b> Demonstrate how the organizational behavior can integrate in understanding the motivation (why) behind behavior of people in the organization.

## **Course content**

### **UNIT I**

Conceptual Framework: Organization Behavior: Definition, concept, approaches and scope, historical background of Organization Behavior.

Introduction to Enneagram, personality types according to Enneagram. Emotional Intelligence; Attitude, Values, Personality; Job satisfaction, Employee Morale : Meaning, influences and outcomes - Measuring job satisfaction.

Assertiveness Training: Benefits of assertiveness – components of assertive behavior, measuring assertiveness, handling fear, handling anger, handling depression, developing assertive behavior skills, assertiveness on the job, assertiveness in interpersonal relations.

### **UNIT II**

Transactional Analysis ( TA), TA and self awareness, Winners and Losers, Structural analysis, Life positions, transactions, games and strokes, Life scripts, TA applications in motivation, Leadership and Teamwork, TA in counseling.

Motivation: Concept and theories, techniques of motivation, role of reinforcement and punishment, motivation and organization reward system, awards, employee empowerment and engagement.

### **UNIT III**

Leadership: Meaning, roles, skills, and styles, leadership theories, types of leadership, powerful persuasion strategies.

Group dynamics: Concept, types of groups, dynamics of group formation, decision making in groups.

Organization Development: Concept, emerging approaches and techniques, Foundations of OD, Organizational Diagnosis, OD interventions – An overview, individual and interpersonal interventions, team/group interventions, comprehensive interventions, organizational transformation, success and failure of OD, Planned Organizational change, feedback and OD.

## UNIT IV

Organizational Conflict: Concepts, causes and types, conflict-resolution strategies.

Organizational change: Concept, forces of change and resistance to change, managing organizational change and diversity, facilitating creative and divergent thinking, planned organizational change.

Stress and Burn Out: Concepts, causes, consequences and coping strategies. Managerial Ethics: Individual ethics, ethical dilemmas in management, Ethical practices of Indian Managers, Corporate ethics.

**Paper Title: REHABILITATION AND AFTER CARE SERVICES**

**Credit pattern: L:T:P::2:1:0**

**Total Credits: 3**

**INTRODUCTION**

Rehabilitation of differently abled people is a noble and worthy endeavor, requiring the combined knowledge of the psycho-social theory and practical skills and techniques of social work. The current paper facilitates social work students to work with the specific group of clientele suffering from various types of disabilities and impart application of specific professional social work methods to cater to the needs of this population.

**OBJECTIVES:**

- a. To understand the concept of handicap, rehabilitation and the scope for practice.
- b. To identify the specific client categories requiring the rehabilitation services, problem specificity and rehabilitation service interventions.
- c. To acquaint oneself with different rehabilitation settings, different therapeutic approaches to rehabilitation process.
- d. To acquire the social work skills adapted to facilitate the process of rehabilitation, the rights and legal provisions provided for differently abled people and assimilate the knowledge of social work practice to disability specific client service.

<b>Course Outcomes (COs):</b>
<b>CO 1:</b> Articulate the principles of independence, inclusion, choice and selfdetermination, empowerment, access, and respect for individual differences
<b>CO 2:</b> apply the principles of disability-related legislation including the rights of people with disabilities to the practice of rehabilitation counseling
<b>CO 3:</b> To develop understanding on different rehabilitation settings, different therapeutic approaches to rehabilitation process.

**Course Content**

**UNIT I**

Rehabilitation: Definition and scope for social work interventions; definition of Impairment, Disability, Handicap; causes of Handicap - heredity, acquired, Major illnesses - physical, neurological and psychiatric; Stress, vulnerability, coping and competence to deal with handicaps; Need for comprehensive rehabilitation – psycho-social rehabilitation

## **UNIT II**

History, philosophy and principles of psycho-social rehabilitation; specific problem areas – physical handicap - vision, hearing, orthopedic, speech and language difficulties, mental retardation and others; neurological, psychiatric problems, disasters, alcohol and drug usage, terminal illnesses and any other.

Intervention in rehabilitation: Assessment, planning, intervention, evaluation, tools for assessment, follow-up services.

## **UNIT III**

Rehabilitation Settings: Hospital based, day-care, night-care, quarter-way home, half- way-home, group home, hostels, long-stay homes, vocational guidance centre, sheltered workshop, occupational therapy centre, community based rehabilitation centre, home care, inclusive education and others

Approaches: Therapeutic community, behavior modifications, transactional analysis and eclectic approach

## **UNIT IV**

Practice of Social work methods in the process of rehabilitation: Case work, group work, community organisation, research, administration and social action.

Legal provisions for differently abled people – The Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act 1995, Rehabilitation Council of India: Formation, scope and functions, governmental policies and programmes, initiatives from the non- governmental sectors.

International trends and national initiatives in the rehabilitation scenario.

Odd semester

**Paper Title: SOCIAL POLICY, PLANNING AND DEVELOPMENT**

**Credit pattern: L:T:P::2:0:0**

**Total Credits: 2**

## **INTRODUCTION**

The course introduces the learner as to how policy is a link between Constitutional Principles, Development Plans, Legislative and Executive Actions. The analysis of these processes is to enable utilization of the knowledge to improve social work practice.

Further, it provides a critical and analytical framework to understand key concepts, development processes and current issues, pertaining to different parts of the world, with specific reference to India. This course is expected to provide the social work students with a context for micro-level interventions.

## **OBJECTIVES**

- a. Gain knowledge of policy analysis and the policy formulation process.
- 1. Acquire skills in critical analysis of social policies and development plans.
- 2. Develop an understanding of social policy in the perspective of national goals as stated in the Constitution, particularly with reference to Fundamental Rights and the Directive Principles of State Policy.
- d. Critically understand the concept, content and process of social development.
- e. Develop the capacity to identify linkages among social needs, problems, development issues and policies.
- f. Locate strategies and skills necessary for social development and reinforce values of social justice, gender justice and equality.

<b>Course Outcomes (COs):</b>
<b>CO 1:</b> Develop understanding of the concept of social policy and social planning
<b>CO 2:</b> Understand Concept and nature of Development and Human Development
<b>CO 3:</b> Understand concept of social welfare and social welfare administration
<b>CO 4:</b> Acquire the social work skills adapted to facilitate the process of rehabilitation, the rights and legal provisions provided for differently abled people and assimilate the knowledge of social work practice to disability specific client service

## **Course Content**

### **UNIT I**

Social Policy and Constitution: Concept of social policy, sectoral policies and social services - Relationship between social policy and social development-- Values underlying social policy and planning based on the Constitutional provisions (i.e. the Directive Principles of State Policy and Fundamental Rights) and the Human Rights - Different models of social policy and their applicability to the Indian situation.

### **UNIT II**

Sectoral Social Policies in India: Evolution of social policy in India in a historical perspective- Different sectoral policies and their implementation, e.g. Policies concerning education, health, social welfare, women, children, welfare of backward classes, social security, housing, youth, population and family welfare, environment and ecology, urban and rural development, tribal development and poverty alleviation.

### **UNIT III**

Social Planning: Concept of social planning - Scope of social planning - the popular restricted view as planning for social services and the wider view as inclusive of all sectoral planning to achieve the goals of social development - Indian planning in a historical perspective - The Constitutional position of planning in India. The legal status of the NITI AYOOG - Coordination between Centre and State, need for decentralization - Panchayath Raj - people participation.

### **UNIT IV**

Social Development: Concept of social development - Current debates of development - Approaches to development - Development indicators.

Social Development in India: The historical and social context of development in India - Demographic transitions - Rural development: Agrarian and land reforms; Green Revolution - Industrialization and urban development - Labour relations-Gender issues - Environmental issues (land, water, forest) - Education - Health.

**PATTERN OF QUESTION PAPER**

**Question Paper Pattern**

(The Question paper comprising of 3 parts: A,B and C as follows)

**Title of the Paper**  
**Code:**  
**Duration: 3 hours**  
**Max.Marks:70**

**Paper**

**PART – A**

There are 6 questions and a candidate has to answer any 4 questions. Each question carries 4 marks. This part covers all units of the syllabus.

Answer any Four

4x4=16

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.

**PART – B**

There are 6 questions and a candidate has to answer any 4 questions. Each question carries 10 marks. This part covers all units of the syllabus.

Answer any Four

4x10=40

- 7.
- 8.

9.  
10.  
11.  
12.

**PART – C**

There is a single question (with no choice) such as case study (may contain sub questions) covering entire syllabus carrying 14 marks.

Answer the following. 1x14=14

**PROCEEDINGS OF THE BOS MEETING**

The meeting of the Board of Studies of Master of Social Work (MSW) programme was held on 10.09.2022 at 10.30 am in the Department of Social Work, Pooja Bhagavat Memorial Mahajana Education Centre, PG Wing of SBRR Mahajana FGC, KRS Road, Metagalli, Mysuru.

**Agenda of the meeting:**

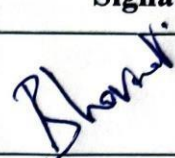

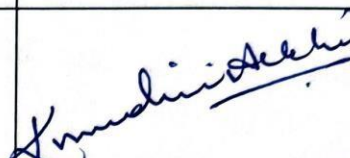

1. Welcoming the new members and thanking the members who previously served as BOS members
2. Presentation of the existing syllabus and getting approval
3. Approval of the list of panel of examiners for BOE
4. Any other issues with the permission of the chair

**Proceedings:**

1. The meeting started with welcoming the new members for the Board of studies by the Chairperson-BOS Dr. Bhavana V and thanking the members who previously served as BOS members.
2. The existing syllabi were presented by the Chairperson -BOS Mrs. Bhavana V and the suggestions from the members were taken.
3. The members have made a few suggestion
  - a. POSH Act to be added in Employee relations and Legislation (40071- IVth Semester)

- b. Students shall make presentations on the Case work and Group Work they have handled in their field work at the end of each semester
  - c. Structured lab activity to be conducted regularly by inviting field experts. This would give a connect between theory and field work
  - d. Suggestions were given to revise Case work and Goup work syllabus by the next BOS meeting
  - e. The members also suggested to make corrections in field work guidelines
4. The list of examiners for BOE was approved.
5. Any other issues: NIL

The Chairman-BOS concluded the meeting by thanking the members
