Title of the Event and name of the venue:

Title: Alumni Interaction Series- An Interactive Session on POWER PLATFORM AND SHAREPOINT.

Venue: Life Sciences Dept. Auditorium

Details of the department organizing the event in collaboration with institution

Organized by the Department of Studies in Computer Science (MCA & MSc. Computer Science)

Purpose and scope of the event

The purpose and scope of this interactive session is to explore the capabilities of Power Platform for app development and automation, as well as SharePoint for efficient document management and team collaboration.

This session aims to enhance the student's professional toolkit with modern Microsoft technologies.

Details of the event:

During the interactive session, Mrs. Yashaswini J, Assistant Professor, introduced the chief guest, Mr. Nayeem Ulla Khan, Associate Manager, Ciber India, Bangalore. Then he gave an introduction to Power Platform and explained how Power FX (PFX) is used to develop Power Platform.

Power FX is a low-code and no-code language primarily used within the Microsoft Power Platform. It features a simple syntax and intuitive functions, making it accessible to users with varying levels of technical expertise. Later he taught the types of power apps.

There are three types of power apps:

1. Canvas app
2. Model driven app
3. Power apps portal.

Where Canvas apps empower business-power-users to seamlessly craft and utilize custom business applications, harnessing their expertise in Excel and PowerPoint. He highlighted the pivotal role of connectors in linking services with Microsoft Power Apps, showcasing the extensive array of over 600 connectors. These connectors are categorized into standard, premium, and preview variants, facilitating seamless integration and functionality.

He proceeded to elucidate the concept of model-driven apps and their application in conjunction with Shopify, elaborating on the diverse opportunities they offer within the Power Platform ecosystem.

During the session's closure, Mrs. Rachanna C R, Associate Professor and HoD highlighted the chief guest's connection to the institution as an alumna and thanked him.
