Department Of Studies in Computer Science- MCA coordinated with Qspiders/ Jspiders -  
A Unit Of Test Yantra Software Solutions(I) Pvt Ltd , Bengaluru to conduct the CSR  
Drive for internship and placement integrated boot camp interview virtually .

**Purpose and scope of the event:**

The objective of the interview is to provide full time internship in Java Full stack or  
Software Testing or Python Full stack development and placement assistance.

**Details of the event:**

The Department Of Studies in Computer Science- MCA in coordination with Qspiders/  
Jspiders - A Unit Of Test Yantra Software Solutions(I) Pvt Ltd, Bengaluru conducted pre  
placement talk and first round of virtual aptitude interview for internship on the 1 st of  
February 2025 for the final year MCA students.

Internship placement interviews for MCA students serve as a crucial stepping stone  
toward their professional journey, allowing them to showcase their technical abilities,

problem-solving skills, and industry knowledge. These interviews provide a platform for students to transition from academic learning to practical application, helping them understand real-world business environments and industry expectations. Additionally, they test soft skills such as communication, adaptability, and teamwork, which are essential for workplace success. Companies use these interviews to match students' skills and interests with suitable projects, ensuring a productive and mutually beneficial experience. Moreover, these interactions help students build industry connections, gain exposure to professional networks, and potentially secure full-time employment after their internships. Internship interviews play a vital role in shaping a student's career trajectory by refining their professional identity and preparing them for long-term success in the field of computer applications.

The session began with a pre placement talk by Ms. Shreedeepta, Business Developer, Qspiders/ Jspiders - A Unit Of Test Yantra Software Solutions(I) Pvt Ltd , Bengaluru followed by Round I - Aptitude test for the registered students. The second round Group Discussion was held on the 8 th of February 2025 at 2.30 pm. A total of final 14 students were selected for the free internship programme with placement assistance.
