Title of the Event and name of the venue:

Title: Internship and Placements Interview CSR Drive -2025 by Global Quest Technologies, Bengaluru.

Venue: Online (Virtual Mode).

Details of the department organizing the event in collaboration with institution:

Department of Studies in Computer Science - MCA coordinated with Global Quest Technologies, Bengaluru to conduct the CSR Drive for internship and placement interview virtually.

Purpose and scope of the event:

The purpose of internship and placement interviews for MCA students is to assess their readiness for industry roles by evaluating both technical and soft skills. These interviews serve as a bridge between academic learning and real-world application, enabling employers to identify candidates who can contribute effectively to their organizations. They help students align their career goals with suitable opportunities in areas such as software development, data science, cybersecurity, and more. Through the interview process, students gain exposure to professional expectations, corporate culture, and recruitment standards.

Details of the event:

The Department of Studies in Computer Science- MCA in coordination with Global Quest Technologies, Bengaluru conducted pre-placement talk and interview for internship for the final year MCA students on the 24th of January 2025 from 2.30 pm to 4 pm in virtual mode. Global

Quest Technologies (GQT) is a professional organization offering training services for both IT and non-IT sectors for campus and corporate across the world. The primary goal is to ensure that graduates align with industry demands through rigorous technical training, which indirectly nurtures our nation's growth. They constantly enhance services, not only in core expertise but also in cutting-edge technological domains.

"Puneeth Rajkumar Social Responsibility" (PSR) Program is one of the most esteemed projects of GQT. Through this project, GQT gives a tribute to Mr. Puneeth Rajkumar. Through this program, GQT offers free training and career development opportunities to all those students who possess talents but are not able to afford to get the required knowledge.

The session began with a pre placement talk by Mr. Nagendra, Managing Director, Global Quest Technologies followed by Aptitude round for the registered students. The Aptitude round was on Logical Reasoning, Quantitative Reasoning and Technologies. The virtual interview was coordinated and conducted by Ms. Sudha Srinivas, HR Manager (Campus Relations), Global Quest Technologies. Twelve students got selected for the CSR Drive 2025 internship.
