Title of the Event and name of the venue	Data collection regarding Migrant children and their education in coordination with Don bosco makkalalaya
Date	22.01.2025
Details of the department organizing the event in collaboration with institution	DEPARTMENT OF SOCIAL WORK PBMMEC, Mysuru

Purpose and scope of the event: As part of the academic fieldwork and community engagement initiative, MSW students from the Department of Social Work undertook a data collection exercise focusing on **migrant children and their access to education**. This field activity was conducted in partnership with *Don Bosco Makkalalaya*, a reputed organization working for the welfare of marginalized and migrant communities in urban and semi-urban areas. The objective of the activity was to gain ground-level insights into the educational challenges faced by migrant children and to support the advocacy and program development efforts of Don Bosco Makkalalaya.

Details of the talk/event/activity:

- To identify and document the educational status of migrant children in select communities.
- To assess barriers to school enrollment, attendance, and continuity.
- To understand the socio-economic background of migrant families.
- To contribute data that will support evidence-based interventions and advocacy by Don Bosco Makkalalaya.

Event Highlights: The students reported that the activity enhanced their understanding of the intersection between migration, child rights, and education. They also gained experience in community-based research and the ethical considerations involved in working with vulnerable populations.
