Date: 27.01.2026

Title of the Event and name of the venue:

Internship and Placements Interview - CSR Drive -2026 by Global Quest Technologies, Bengaluru.

Venue: Online.

Details of the department organizing the event in collaboration with institution:

Department of Studies in Computer Science - MCA coordinated with Global Quest Technologies, Bengaluru to conduct the Dr. Puneeth Rajkumar CSR Drive for internship and placement interviews virtually.

Purpose and scope of the event:

The **Internship and Placements Interview – CSR Drive** was organized with the purpose of creating meaningful career opportunities for students through corporate social responsibility initiatives of partnering organizations. The event aimed to bridge the gap between academic learning and industry requirements by providing students with internship and placement opportunities, thereby enhancing their employability, practical exposure, and professional competencies. The scope of the drive included skill assessment, technical and HR interviews, evaluation of communication and problem-solving abilities, and identification of industry-ready candidates across various domains.

Details of the event:

Global Quest Technologies, Bengaluru conducted Corporate Social Responsibility (CSR) Drive 2026 aimed at engaging and empowering students through structured recruitment and career guidance initiatives. As part of its commitment to supporting education and enhancing employability, the organization structured a Pre-Placement Talk followed by an Aptitude Round for eligible students. This initiative reflects the company's dedication to bridging the gap between academic learning and industry expectations by providing students with direct exposure to corporate recruitment processes.

The Pre Placement talk provided clarity and transparency regarding the organization and the hiring process. It also helped students to interact, ask questions, and gain insights into corporate work culture. The aptitude round aimed to evaluate students on various competencies such as logical reasoning, quantitative aptitude, analytical ability and problem solving skills. It assesses the candidates readiness for professional roles and measure their fundamental skills required in a corporate environment. The selected students attended the managerial round interview on the 5th February 2026 at 5 pm.

The placement internship drive was successful **thanks to** the effective leadership and coordinated efforts of the Head of the Department and the Training and Placement Officer.

A brief profile of the resource person:

1. Mr. Nagendra, Managing Director, Global Quest Technologies, Yelahanka New Town, Bengaluru.
2. Ms. Sudha Srinivas, HR Manager(Campus Relations), Global Quest Technologies, Yelahanka New Town, Bengaluru.

No. of Participants:

A total of 25 students attended the virtual interview.
